Dear Professor Murphy:

Just a note to report that we continue to be very much interested in having you come to the Center. Not only do your professional colleagues think very highly of your work, but one of our Trustees from a very different discipline read and was most impressed by Vicar of Christ.

I do hope you will let us know if you are able to identify a period when a stay at the Center will fit into your plans.

With regards.

Cordially yours,

Gardner Lindzey
Director
